Joe and Pam Hallberg of North Oaks and Fort Myers Beach, Florida received their BaccaLOOPerate degree from America's Great Loop Cruisers' Assn. The Degree is given in recognition of completing a 6000 mile adventure around America's Great Loop, cruising up the Atlantic Intracoastal Waterway, through the New York State Canals, into the Great Lakes, down the inland river system across the Gulf of Mexico, and around the southern tip of Florida.

The Hallberg's crossed their wake on December 14, 2017 aboard Tasteful Traveler, their 42-foot Nordic Tugs trawler, spending a total of twelve months cruising over a three year period. "It's an amazing adventure," they said, "but the treasures are the people we've met along the way and the friendships we've gained."

Joe and Pam, members of Redeemer Lutheran, will share their amazing adventure in pictures and stories that you won't want to miss!
